PRESS REALEASE

January 23, 2008

The MARKET art fair presents the most prominent Scandinavian galleries in the field of contemporary art. For the third year in a row the fair will be held at the prestigious facilities of *Konstakademien* – ‘The Royal Art Academy’ – in the Stockholm city centre (February 15-17).

For this year we have the privilege to announce that MORGAN STANLEY and the law firm VINGE will be the main sponsors of the event.

MORGAN STANLEY is one of the world’s largest investment bank and global financial services firm, which serves a diversified group of corporations, governments, institutions and individuals through a network of more than 600 offices all over the world. MORGAN STANLEY has supported the arts – in Sweden as well as abroad – for several years.

- **MORGAN STANLEY is an international supporter of the Arts since many years. MARKET provides us with an excellent opportunity to show our dedication to Scandinavian and international contemporary art. We are happy to endorse this event, and hope that our clients, employees, as well as the public in general, will enjoy the occasion as much we do, say *Per Hillström* Nordic Country Head of Morgan Stanley.**

VINGE is the leading law firm in Sweden, offering a full range of commercial legal services. Our offices are located in Stockholm, Gothenburg, Malmo and Helsingborg, as well as in London, Brussels, Hong Kong and Shanghai. VINGE has a solid interest in supporting national and international art- and cultural projects. The Art Fair Market is an interesting project, which creates another dimension for the Nordic and International contemporary art, which VINGE is happy to support. We hope that this year’s Art Fair will offer many surprising and interesting art experiences for the public. We are really looking forward to interesting and rewarding days at MARKET.
